PARISH MISSION STATEMENT

The Parish Community of Saint Ann's in Neponset is in the tradition of the Roman Catholic Church. We believe that this tradition is a sacred gift given to us in Baptism and the inheritance bequeathed to us by those who have gone before us through the ages. With our Archbishop and Pastor we are united with our Holy Father, Pope Benedict XVI, in our commitment to- and we are indeed shaped as a people by- the Eucharistic Assembly especially on the Lord's Day. We are strongly committed to maintaining our parish school and religious education programs. We are equally committed to the spiritual needs of those who are grieving or who are ill or because of advanced age are unable to celebrate the Sunday Eucharist. Through the Liturgy we hope to inspire and motivate our parish family to respond to the physical needs of the less fortunate of Christ's brothers and sisters. We are a parish that is deeply committed to the family.

We are a parish with a long and rich history and take great pride in celebrating our Catholic traditions.

We have a great history in Boston in sharing the goodness and prosperity that the Lord has given us. I am including an excerpt from our diocesan literature today as we welcome our guest preacher assigned by the Propagation. Saint Ann Parish is honored to have with us today, Father Xavier Arulraj, from the diocese of Tuticorin, India.

The diocese is located on the shores of the Bay of Bengal, that forms the northeastern part of the Indian Ocean. The large bay is triangular and includes parts of India, Sri Lanka, at the west, and Bangladesh and the Indian State of West Bengal to the north, and Myanmar and Andaman and the Nicobar islands at the east. The economy of the area is based on shipping, fishing, salt pan, and agriculture. The area of the diocese is 6400 square kilometers (2471 square miles). There are 2,550,000 residents in the area, of which 375,000 are Catholic, approximately 15 percent. The diocese has 105 parishes, 339 sub-parishes, 222 diocesan priests, 12 religious priests, 38 religious brothers, and 551 religious sisters.

The diocese of Tuticorin sponsors rehabilitation programs, nursing schools, homes for the abandoned, the elderly, the disables, and lepers, among many others. They operate primary and secondary school, colleges, nursing schools and hospitals. The Archdiocese of Boston, Office of the Propagation of the Faith, a Pontifical Mission, has invited Fr. Xavier. He comes this weekend representing his bishop, The Most Reverend Dr. Yvon Amboise and the church in Tuticorin. We welcome Father Xavier and offer our prayers and support to our brothers and sisters of the local church in Tuticorin. Thank you in advance for your generosity to our annual collection for the missions.

The Pontifical Mission Societies consist of the Society for the Propagation of the Faith, the Holy Childhood Association, the Society of St. Peter Apostle and the Missionary Union of Priests and Religious. The Pontifical Mission Societies have, as their primary purpose, the promotion of a universal missionary spirit — a spirit of prayer and sacrifice — among all baptized Catholics. The first three Societies, in carrying out that goal, invite baptized Catholics to express their missionary commitment by offering their prayers, personal sacrifices and financial support for the work of the Church in the Missions. The Missionary Union of Priests and Religious works to deepen mission awareness among religious, catechists, and educators so that they are fully prepared to take on the mission formation of the faithful. The four Societies each received the title "Pontifical" in 1922

to indicate their status as official instruments of the Holy Father and of the Universal Roman Catholic Church. According to the teaching of Vatican Council II, the Pontifical Mission Societies are institutions of the Universal Church and of each local church. Therefore, unlike any other mission organization they are both Pontifical and Episcopal in nature; as such, the Pontifical Mission Societies are recognized as the principal instrument for educating the faithful to an awareness of the Church's universal mission and for encouraging their support in prayer and sacrifice; and for the evangelizing mission of the Church among two-thirds of the human family. Each year the celebration of World Mission Sunday provides an opportunity, within the context of the Eucharist, for Catholics to express their prayerful and financial support of the Church's worldwide missionary work and the Society for the Propagation of the Faith in particular.

*Thanking the Lord for all His gifts, In Christ's love,
Fr. Sean*
